DEAR READERS,

The Central Statistical Office is delivering the next **EDITORIAL TITLE – PLAN**. It contains the most relevant information on the Office's publications, which will come out in 2010.

In accordance with the act on public statistics, CSO guarantees indiscriminatory, simultaneous and equal access to all statistical data. The studies are published in books, recorded on CD-ROMs, available in the Internet. Some of the information is available only in the Internet, on the website <http://www.stat.gov.pl>. The results of statistical surveys, which did not appear within the publications are available in an electronic form as printouts, Xerox copies etc.

We encourage you to study the statistical information prepared by Central Statistical Office.

Information Division

Central Statistical Office, as a publisher, reserves the right to minor changes within the EDITORIAL TITLE–PLAN 2010 during its execution

By: for accommodation facilities — voivodships, subregions, type of facilities; for border traffic — border crossings, nationality of persons from third countries (i.e. outside the EU) crossing borders.

TOURISM AND RECREATION IN HOUSEHOLDS IN 2009

(English version: preface, contents)

edited every 3—5 years

time of publication — May

Vol. 240 pages, size A4

10370/00

price: 24,00 PLN

Participation in tourism in the period from 1 October 2008 to 30 September 2009 and household expenses on tourism and recreation. Means of recreation preferred by household members, travels outside the place of residence by type of travel, aims, organisers, means of transportation, main place of stay, place of accommodation and incurred expenses.

By: socio-economic groups, residence places by class of size, quintile groups.

BASIC DATA ON HEALTH CARE IN 2009

(Polish-English version)

annual edition

time of publication — November

Vol. 180 pages, size A4
price: 18,00 PLN**10336/00**

Status and activity of entities operating in health care (health care facility, medical practices, etc.). Information on employed medical personnel working in health care, in-patient and out-patient treatment facilities, pharmacies, first aid and emergency medical services, nurseries. Basic characteristics of these facilities (e.g. types of facilities, number of beds, places, ambulances) as well as information on activity scope — consultations, patients, length of stay. Moreover, expenditures on health care and results of the National Health Account in 2008.

By: voivodships, ownership sectors.**HEALTH OF POLISH CHILDREN AND YOUTH IN 2009**

(English version: preface, contents)

edited every 3—5 years

time of publication — November

Characteristics of Polish children and youth by socio-demographic characteristics. Lifestyle, assessment of health condition, disability, chronic health problems of children and youth. Moreover, entities functioning in health care, recommendations and patients.

By: voivodships, urban and rural areas, sex and age.**SOCIAL WELFARE IN 2009 — INFRASTRUCTURE, HEALTH CARE BENEFICIARIES, BENEFITS**

(English version: preface, contents)

annual edition

time of publication — November

Vol. 200 pages, size A4
price: 18,00 PLN**10395/00**

Basic information describing 24-hour and daily care and education centres, foster families and stationary social welfare facilities. Situation of persons and families using social welfare by type and benefit amount.

By: voivodship, subregions and powiats, ownership sectors, for information about benefits — data by voivodships.

PRICES IN THE NATIONAL ECONOMY

(Polish-English version)

monthly edition

time of publication — 29th day following the month of the report

Dynamics and levels of prices in essential areas of national economy. The results are presented as data sets (price indices and levels) in tables, in Excel format, constituting databases for a particular thematic area (agriculture, industry, construction, services, outlet market, real estate, export, import). **Constant supply of data, in monthly, quarterly, increasing and annual periods.** The data come from statistical surveys of the Central Statistical Office and other institutions participating in the integral system of public statistics.

By: selected data by voivodships, sections and divisions of PKD [Polish Classification of Activities] 2007, main industry groups MIGs, groups and positions of PKWiU [the Polish Classification of Goods and Services] 2008, SITC sections, groups of households, selected price indices by EU member states (Eurostat database).

PRICES OF CONSTRUCTION AND ASSEMBLY WORKS AND CONSTRUCTIONS

(English version: preface, contents, methodological notes)

monthly edition

time of publication — until the 53rd day following the month of the report

**ISSN 1505-6198****10304/01-04**

(data for the following months: December 2009, March, June and September 2010)

Vol. 48 pages, size A4

price: 12,00 PLN

data for subsequent months

Price indices of selected construction facilities, i.e. building and civil engineering constructions, including road and bridge constructions. Price indices of selected construction-assembly works. Definitions concerning basic terms used in the publication, methodological notes, a list and characteristics of representative facilities, and an analytical comment in the months at the end of the half-year and the end of the year.

By: building constructions according to PKOB; construction-assembly works according: to KNNR — in the scope of buildings and selected civil engineering constructions, to SST — regarding road and bridge constructions.

INTERNAL MARKET IN 2009

(Polish-English version)

annual edition — September

Activity of selected types of services, trade activity and retail sales executed by trade and non-trade enterprises. The value and structure of retail sales. Wholesale sales. Retail shops network by organizational forms, sales area. Constant and seasonal marketplace network. Deliveries of selected consumer goods to supply the country.
