DEAR READERS,

EDITORIAL TITLE–PLAN OF REGIONAL STATISTICAL OFFICES 2011 was elaborated on the basis of the individual statistical offices plans and approved by the CSO President.

Regional statistical offices conduct retail sales of their publications and the main CSO publications on the spot and by mail orders.

Information on addresses, phone and fax numbers of regional statistical offices which can be used to place written or phone orders concerning publications are given at the end of this brochure.

Individual regional statistical offices, as the editors, reserve the right to minor changes in the number of publications to be published and their form, contents and time of printing. If the statistical office does not publish the results of the statistical surveys then it guarantees the access to these data in another form (print copies, computer print-outs, Internet).

We kindly encourage you to make use of our publications.
