## DEAR READERS,

The Central Statistical Office is delivering the next **EDITORIAL TITLE – PLAN**. It contains the most relevant information on the Office's publications, which will come out in 2011.

In accordance with the act on public statistics, CSO guarantees indiscriminatory, simultaneous and equal access to all statistical data. The studies are published in books, recorded on CD-ROMs, available in the Internet. Some of the information is available only in the Internet, on the website <http://www.stat.gov.pl>. The results of statistical surveys, which did not appear within the publications are available in an electronic form as printouts, Xerox copies etc.

The basic source of data presented in publications is the electronic reporting.

**We** encourage you to study the statistical information prepared by Central Statistical Office.
